GRAND HISTORICAL TOURS

His Majesty's Theatre *in Perth is a beautiful Edwardian theatre resplendent with ornate gilded foyers, a superb marble staircase and a domed auditorium seating 1200 people in three tiers. Built in 1904 during the prosperity of the gold rush, it exudes opulence, optimism and a confidence in the future of the State. It is renowned as Australia's finest example of Federation Free Classical architecture with the most lavish and well-executed ornamentation.*
